The members and avalanche dogs of Ski Patrol welcome you to Copper Mountain. Look for Ski Patrol in black and red with white crosses. Please feel free to ask any patroller or other mountain personnel for information or assistance.

If someone is injured or in a collision: Cross a pair of skis uphill from the incident to warn oncoming traffic and send someone for help or call to report the location, type of injury and description of the injured person. Call Ski Patrol or use the Copper Mountain App. Be sure to exchange information in the case of a collision including name, phone and address.
